Assistant Commissioner for Patents

Dear Sir:

This is a request for the Patent Office to furnish applicant's representative with a  
complete copy of U.S. Patent Application No. 5,889,639 (Swanson et al.).

In the Office Action mailed April 7, 2003, Swanson et al. is cited as a reference.  
However, the copy of the Swanson et al. reference supplied to applicant's representative is  
incomplete in that the page containing Sheet 3 of the drawings is missing. Accordingly, so that  
applicant's representative can best appreciate the relevance of the Swanson et al. reference, it is

requested that a complete copy thereof be furnished; and that the term set by the Office Action of April 7, 2003 be reset with the mailing of such complete reference.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
